

Ephesians 2

How does Paul remind the Ephesians of God's plan of salvation?
(Ephesians 2:1-9)

Why did he need to remind them?

What separates us from God?

How are we brought back into relationship with God?

What is God's purpose for us? (Ephesians 1:12 and 2:10)

What was going on between the Jews
and the Gentiles at that time?

"To create unity, we need to be more than merely in the same room on a Sunday morning. We need to walk across the room and talk to each other. We need to be invested in each other's lives."

Why was the concept of “one family” so radical for the Ephesians?
(Ephesians 2:16)

How does this concept of unity and one family relate to our society today?

What is God’s plan for us?

How does it feel to know Paul’s letter mentioned YOU?

How are you using “good things” to reach your “Ephesus?”

We are God’s holy temple. When the Ephesians heard that, what mental picture did they have? What are you seeing when you hear that? Are you seeing Nashville’s Parthenon, Grace Place’s building, your physical body, or your personal, quiet spot?
